Helping around the home

Here are some products that you may find useful to help you around the home with day to day tasks. This is a selection of products that we stock and can be purchased either in store or ordered for home delivery. If there are any products that you would find useful but do not see below please contact us and we will endeavor to find these for you.

Kettle Tipplers

Standard Kettle Tippler

Jug Kettle Tippler

These kettle tipplers are particularly useful if you suffer from weak or painful grips. The platform tilts, enabling water to be poured safely and with hardly any effort.

Telephones

PowerPlus Jumbo Button Telephone

A very user friendly telephone with large digits for people with eyesight problems, or those who find ordinary phone buttons too difficult to use. Features include 3 one touch memory, 10 two touch memory, 2 way speaker phone, LED incoming call indicator, flash function, music on hold, last number redial, receiver volume control and is desk/wall mountable.

Photocall Photo Memory Button Telephone

This easy to use telephone allows you to store the numbers you need most to keys with a photograph for that person/number, allowing you to dial the person you need easily. Features include hands free function, 9 one touch picture speed dials, flash function, last number redial and mute function. Currently only available in Black.

Eating & Drinking

Plate Surround

This flexible guard can be fitted to ordinary plates to assist with one handed eating. Attach to the rim to create a high inward sloping face to help with food collection and spillage.

Bedside Jug, Beaker and Tray Set

Beaker 280ml, Jug 1000ml with lid and Tray.

Queens Cutlery

One handed, angled stainless steel utensils mounted in a built-up plastic handle for those with weak or restricted grip. Hygienically sealed, easy to clean and dishwasher safe. Fork and Knife available right or left handed.

Fork
Spoon
Knife
SET OF ALL 3

Drinking/Feeder Beakers

Ideal for those with restricted hand use or co-ordination. Helps prevent spillages whilst drinking. Comes with or without handles and a choice of a narrow or wide spout lid.

4 in 1 Jar & Bottle opener

Opens bottles and jars of 4 different sizes. Soft rubberised finish.

Multi-Opener

This useful tool combines the easy opening of aluminium can tabs, as well as twist re-sealable and pressure sealed bottle caps.

Dycem non-slip mats

These mats effectively grip items in place, preventing any movement or spillage. They have a wide range of uses and are available in a variety of shapes, sizes and colours.

- Round Mat 14cm Diameter
- Round Mat 19cm Diameter
- Rectangular Mat 25cm x 18cm
- Rectangular Mat 35cm x 25cm

Dycem non-slip reel

Non-slip material for use on a variety of surfaces to help stabilise and prevent movement of plates, cups bowls etc. Can be purchased whole or we can cut to size for you (no charge for measuring and cutting). Width 40cm Length 200cm.

Freehand tray & non-slip mat

This tray and its content can be carried with just one hand. The extra low centre of gravity and non-slip surface reduce the risk of sliding and spillage, even when the tray is held at an angle. The tray is large enough to carry a full size meal and the handle is removable for easy storage.

Scoop Plate/Dish

Low front and high back plastic dish that is ideal for people who have difficulty eating or have the use of only one hand. Microwave and dishwasher safe.

Power Grip Opener

Opens jars and lids in seconds. Easy to use, Non-Slip Belt, Opens all size jars and lids without straining or struggling

Napkleen Disposable Stick-On Bibs

Disposable stick-on bib that quickly and easily protects clothing from drips and spills. Easy on and off these bibs stay in place with no movement or tangles. Reduces laundry costs, saves time and are cost effective. They are instantly absorbent, water resistant and even have a crumb catcher! Pack of 50 sheets.

Tartan Bibs - Standard and Plus

Comfortable protection with easy fit popper fastening. Tartan Bib Plus is a heavy duty bib with an absorbent inner pad giving extra protection.

Handsfree Magnifier with Neck Cord

This magnifier hangs from the neck with the base resting against the body. The lens is ideal for close work and reading as it has a high central magnification area.

Handy Reachers

Available as a standard or in a folding version that can be folded in the centre for easy storage and transportation. These will help you dress, draw curtains or pick up various objects from the floor or shelves.

Height Adjustable Folding Walking Stick

These walking sticks are lightweight yet strong and robust. They easily fold down to a small size and are height adjustable from 33" to 37". Includes a rubber foot grip and an anodized aluminium shaft.

Button Hook Helper

This button helper with its non-slip handle and stainless steel hook is ideal to assist with one handed dressing, or anyone that struggles with small buttons.

Universal Grip Turner

This is a handy tool that makes it easier to turn knobs and keys thanks to its ergonomic design. The hexagonal rods fit around the shape of the knobs to provide extra leverage.

Foldaway Key Turner

These key turners hold up to 2 keys and have a large handle to assist turning. Keys fold back in towards handle when not in use.

Plug Removers

These plug removers are ideal for people with arthritis or weaker hands, making it much easier to remove plugs from their sockets. Made from plastic these attachments are easy to fit. Pack of 5.

Rayovac Hearing Aid Batteries

These batteries come in packs of 6 and are available in size 13 and 312. If you require a different size please contact us and we will endeavour to supply them to you.

If there are any products you would like that you don't see on these pages please contact us and we will try to provide them for you.
