

Discover your **FREE** **NHS** home visiting **Opticians service** **for your loved ones.**

“My stroke, arthritis and diabetes prevent me from walking. My daughter referred me to On Call Opticians - I received a thorough eye test, was told about my eyes in a way that was easy to understand and my spectacles were brilliant” Mrs K, West Midlands Area

Specialists in home visiting,
dedicated to a professional service.

- If you are unable to attend an Optician a **FREE** home visit can be arranged at your convenience.
- Your spectacles can be supplied **FREE** if you receive certain benefits or we will save you money if you have to pay.
- You will receive **FREE** delivery of your glasses in a case with a cloth, so you don't have to collect them.
- We produce high quality results and offer a money back guarantee if you are not satisfied.
- Your eyes are important to us too, which is why we offer an aftercare service between eye tests.
- For more information on how to arrange a visit, call Complete Care who will arrange your referral and help you access **FREE EXPERT GUIDES** to the health of your eyes.
